

Do you want to know how  
COVID-19 impacts the health of  
people with **risk factors for**  
**heart disease?**

Help doctors find  
out by completing  
an **ONLINE SURVEY**

Participants who complete  
the study will be entered  
into a gift card raffle.

The survey will take around **30 minutes** and will help researchers understand how COVID-19 affects different health communities. We will study the impact of rare and common disease as well as sociodemographic factors.

To participate, follow this survey link: [https://redcap.link/covid\\_in\\_communities](https://redcap.link/covid_in_communities)

This study is coordinated by **NIH scientists**: Dr. Beth Kozel (NHLBI), Dr. Robert Hufnagel (NEI), and Dr. Tiffany Powell-Wiley (NHLBI) in collaboration with numerous NIH physicians/researchers and community groups.
